A jersey for every player

For the first time in our Club's history we will be providing a supporter's jersey for each and every member of our Club that is included with your membership fees. As you will note on page 2 of this edition of the Mitchie Bounce we have a range of business partners in the local community which has enabled us to jointly market our Club and these businesses. We hope that you will wear your jersey to training and to and from games giving our Club and our business partners as much exposure in the local community as possible. There will also be an opportunity to purchase additional jerseys for \$15 each through our gear shop. A sample of the jersey is shown below.

Our supporters in the local business community

For the 2007 we have joined with a number of local businesses to form working partnerships. This will result in each member of our Club receiving a jersey that they can keep for the season. We will be encouraging our members to wear the jersey to and from training and games, although they are not endorsed to be worn onto the field for matchplay. Here is a list of each business that support our Club:

Healthworks Fitness Centres **www.healthworksfitness.com.au**

In keeping with our Club's aims of providing a healthy environment to participate in organised sport we have teamed with Healthworks Fitness Centres and encourage you to increase your fitness with Healthworks. A Mitchie FC member package is available from our website or by calling the Healthworks at Everton Hills on 3353 2222.

All Trades Queensland **www.atq.com.au**

All Trades Queensland is the market leader in the career management of apprentices, trainees, tradepersons and trade assistants. You will find an application form on our website for anyone you know seeking an apprenticeship or traineeship.

Steve Jones Hardware and Landscape **www.stevejones.com.au**

All members of our Club have been issued with a Steve Jones Discount card and our members have voted with their feet and are utilising Steve's Landscape centre at Old Northern Rd, Everton Hills and also Brisbane Blocks and Pavers at 27 Queens Rd, Everton Hills. Be sure to let Steve's staff know you're from Mitchie Football Club when you visit.

Approved Financial Consulting **www.approvedfinance.com.au**

The exclusive Team of Lending Experts will match your financial preferences with up to 30 lenders who have the right loan products to meet your needs. Their lenders will contact you and compete for your business no matter where you reside in Australia. It doesn't matter what type of finance you need. With over 80 years combined experience, there is absolutely no time like the present to contact Approved Financial Consulting for your Free Consultation and application form.

Gaythorne RSL **www.gaythornersl.com.au**

Your membership of the Mitchelton Sports Club in

2007 will automatically entitle you to membership of the Gaythorne RSL. We have joined together with the Gaythorne RSL to promote each others activities and you will be noticing plenty of interaction between the Gaythorne RSL and us in 2007. For more information on the benefits of membership of the Gaythorne RSL visit their website www.gaythornersl.com.au

Barry Tyson Real Estate **www.barrytyson.com.au**

Barry Tyson Real Estate is located in Blackwood St at Mitchelton and prides themselves in being able to provide clients with services including all of your buying and selling needs as well as a full range of Property Management services. New Structure for the running of the Club

You will notice on the left hand side of this page there is a new structure for the management of our Club. It has been determined to break up a number of roles and to include a number of additional roles to help facilitate an even share of each volunteers duties and responsibilities.

The position of Assistant Sports Club President has been added to mainly drive through the completion of the Master Plan.

The roles of Vice-President have been added for the Divisional teams (Under 11 to Under 17) and for the Roo-Ball teams (Under 6 to Under 10). We are still seeking someone to fill the position within the Divisional teams.

The Vice-President roles have also been added to Women's and Over 35s to help us foster and accommodate these members better.

At this stage we are also seeking someone to take on the role as Treasurer with Trevor Eiser vacating this role.

As part of the changes a new coaching structure has been formulated with the Head Coach of the Club Greg Brown, now also responsible for Director of Coaching duties. The positions of Divisional Co-ordinator and 2 x Roo-Ball Co-ordinators have been included and we are currently seeking interested people to fill these roles. These positions will be responsible for co-ordinating the coaching in their respective areas and assisting the Vice-Presidents searching for and appointing coaches.

If you may be interested or want further information in one of these roles please call Rohan Cassell on 0434 077 380.

2007 Coaches & Managers

If you would like to confirm your interest in Coaching or Managing your team again in 2007 or would be willing to assist your team in these

roles would you please contact us either via sportsclub@mitchiesc.org.au or phoning Rohan Cassell on 0434 077 380.

Ground Officials Needed

On Saturdays and Sundays while your children are playing we are required to have a number of Ground Officials present ensuring the smooth running of the day's activities.

If you might be willing to utilise your time at the Club during your children's games in this way, please contact Tim Eggar through our email sportsclub@mitchiesc.org.au or by leaving your name at sign-on day.

Your ideas for our Masterplan

Mitchelton Football Club is currently forming a design for a landscape masterplan for future facilities of the club. Ultimately, the plan will be complete and built for 2020 when the Club celebrates its Centennial year. It aims to enhance existing facilities and propose new ones towards achieving the Club's goals. By developing a plan, the Club can create cohesive integrated facilities.

The planning is currently at its information gathering stage. Should you have any contributions in the form of suggestions of ideas, professional advice or local knowledge relevant to the plan, please contact Steve York at sfyork@hotmail.com. Consultations will take place throughout the design process and we encourage involvement. The final draft of the masterplan is expected in April 2007.

Field Renovations in progress

With the funds raised from the 2006 Art Union levy field renovations commenced on the No. 7 & 8 fields along with our regular maintenance program of the No.1 field in the first week on November.

Soil tests on the fields revealed a high salt content on the fields so over one and half tonnes of gypsum and lime has been applied and a further amount will be applied again in January. This allows for stronger growth of grass and therefore less weed will be able to grow.

The No. 1 field has been aerated and the goal mouths and centre circle have been solid turfed with further

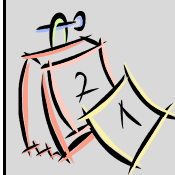

turfing to be completed.

All the existing grass on the No.7 & 8 fields was poisoned and then the fields were cultivated to a depth of 20cm. The fields were then laser levelled and grass was planted. We are currently awaiting further growth in December and January before a top level of topdressing is applied.

In preparation for the end of the 2007 season we are submitting a grant application to the Brisbane City Council to replicate the renovations on fields 3, 4, 5 and 6.

Field Renovations in progress.
